(Santee, Ca) San Diego Christian College has been recognized as a top ranked institution offering the best online Communications Degree Programs by Intelligent.com. SDCC was listed among sixty other competing public institutions across the nation. The student-focused comprehensive research guide was based on an assessment of 1,604 accredited colleges and universities.

Each program was evaluated based on curriculum quality, graduation rate, reputation and post-graduate employment. According to Dr. Dunne, Chair of the Department of Communication, during their time in the classroom, her students gain both the theoretical and practical knowledge they need to succeed in the world of work.
